

Neurodiversity for people managers | £800 +VAT

Diversita provide training for people managers/ leaders

- Learn more about how to manage a neurodiverse workforce and the importance of creating belonging
- How to look at all individuals from a strength-based approach
- Really embrace equity and understand that you don't need to do the same for everyone
- Understand why adjustments are asked for and why they are essential to retention
- ...And lots more
- This training is aimed at all staff involved with advising, managing and supervising neurodiverse employees
- 120 minutes for a maximum of 15 people
- Sessions are remote or in person within the M25. In person sessions available outside of the M25 for an additional cost
- £800 +VAT

"I would highly recommend getting Diversita in for a chat with your teams. The session they delivered to us was highly informative and engaging"
